

## APPEARANCE AND DRESS

Student appearance and dress should be within the boundaries of regulations covering health and safety and should be of a nature that would not interfere with the educational process. The following are the dress code guidelines at Trinity High:

- Title V of the CA Administrative Code states that students must be neat and clean and schools have a right and responsibility to reasonably enforce this standard.
- For purposes of health and safety, shoes or comparable footwear with rubber or leather soles shall be worn.
- Students with long hair shall be required, for reasons of safety, to provide and wear a hair net or head band in those classes where long hair might be a hazard or detrimental to the required performance of the class.
- Students, whose appearance is so unusual as to cause obvious distraction to other students from the educational process, shall be sent home to correct their appearance.
- Hats, visors, and/or sunglasses are not to be worn in class or at assemblies by any student regardless of gender. Any headwear that prohibits eye contact with a THS staff member is prohibited.
- Shorts must have a **4 inch** inseam or longer. Skirts must **NOT** be more than **6 inches** above the knees when standing.
- Excessively baggy, low cut, or sagging pants, which allow undergarments to be exposed, is unacceptable.
- Boys may **NOT** wear tank tops that have excessively low cut armholes or sleeveless undergarments.
- Tops worn by girls shall have **two, 1 inch or wider, shoulder straps that cover undergarments**. Tops must be long enough to cover the top of pants, when standing, with arms outstretched. **No** bare midriiffs, see-through or fish-net tops, halter-tops, tube tops, half-shirts, midriiffs, low-cut blouses, or backless tops may be worn. **Any top deemed inappropriate by THS staff is unacceptable**.
- Reasonable rules for appearance for those who participate in extracurricular activities may be established and enforced. These rules may not supersede the dress code.
- Clothing advertisement and artwork depicting alcohol, drugs, tobacco and offensive materials may not be worn. Clothing may not have suggestive or inappropriate wording or images printed thereon.

Any student not meeting the above standard(s) or who goes to school without proper attention having been given to personal cleanliness and neatness of dress, will be required to change the item(s) of clothing in violation of the dress code. A parent will be required to bring an appropriate change of clothing, or the school may provide a change of clothing to correct the dress code infraction. Due to the rapid changes in society, it may become necessary to modify the dress code during the course of the school year.
