Dear Parent/Guardian,

We are excited to inform you that Trinity High School has enrolled with STOPit!

STOPit is an online reporting tool consisting of an app and a back-end incident management system for school administrators. It is designed to deter and mitigate bullying, cyber abuse, school safety concerns, and other inappropriate behaviors.

Both you and your students will have access to the STOPit mobile app.

The report feature of STOPit can be used to report incidents or concerns to school contacts anonymously.

Reporting concerns utilizing STOPit, empowers students to stand up for themselves and for one another.

Students have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means.

Students can also use the STOPit app to reach out for help if they, or a peer, are facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. The "Get Help" tab of the app provides students and parents with crisis phone numbers as well as valuable web resources.

Any, and all, campus safety concerns are encouraged to be reported. Our goal with STOPit is to create safer, kinder, school communities both online and off.

No student information is needed to use STOPit. The only way personally identifiable information will be accessible through STOPit is if a student voluntarily includes it within the content of a report or message.

Both our school and STOPit are committed to protecting the privacy of student data. STOPit adheres to the Student Privacy Pledge, spearheaded by the Future of Privacy Forum and the Software & Information Industry Association. You may review STOPit's Privacy Policy for details, including more information on how anonymous reporting works.

Your student has already been informed of the STOPit app and its features. Feel free to download the STOPit app from your carrier's app store on your phone as well as your student's smartphone or tablet

at no charge. The one time access code for THS is: **WOLFPACKPRIDE**. Additionally, STOPit can be accessed through our school website.

More information and resources can be found online at stopitsolutions.com.

Thank you,
