MAKE A PLEDGE TODAY!

There are a few different ways in which you can make a pledge :

- Athletics play and integral role in the high school experience.***
- Athletes attended 6-10 days more days of school on average than non-athletes. This means increased ADA money for our school.
- During the 2008-09 school year, 340 roster positions were held by student-athletes.
- Athletics builds individual character and collaborative skills, while teaching student-athletes to be respectful and responsible.
- Student-athletes act as ambassadors for our school to the surrounding community.
